BREEDERS' ASSOCIATION,
Gold Room, Congress Hotel.

Wednesday, November 28th

9:00 A.M. INTERNATIONAL SHORTHORN CONGRESS SALE Stock Yards Sale Pavilion

# Information for the Buyer

LOCATION: Sale will be held in Stock Yards Sale Pavilion south of 43d entrance to yards.

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing AMERICAN SHORTHORN BREEDERS' ASSOCIATION
Clinton K. Tomson Clem Larson Ted Aegerter Herbert Rees Ralph Heinemann

Representing THE SHORTHORN WORLD, 16 South Locust St., Aurora, Ill.
Hal Longley Merv. Aegerter Don Longley Ned Place

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition.

#### BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.

LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

INSURANCE: Coverage may be secured effective at the time of sale.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

AUCTIONEERS: J. E. Halsey, Des Moines, Iowa. C. D. Swaffar, Tulsa, Oklahoma. Hamilton James, Newton, Illinois.

HEADQUARTERS: Congress Hotel in downtown Chicago. Write direct for accommodations. Be sure to mention this Association.

Clinton K. Tomson, Secretary,
AMERICAN SHORTHORN BREEDERS' ASSOCIATION
7 Dexter Park Avenue, Chicago, 9, Illinois.
Phone Yards 7-0363

# Standard Guarantee OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

- Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- 2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- 3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- 4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- 5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.
- 6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
- 7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

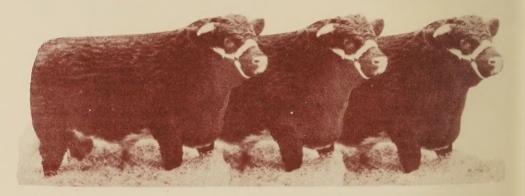

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

### Good Bulls for greater Progress

Investing in an outstanding purebred Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on .... and if a calf has not been given the right heritage no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn bull will raise the standard of the calves from just average cow herds immediately .... and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to

The bulls offered in this sale are just the type to lead the progress of the breed in the future decade.

#### LOT 1 MALE S. G. BENNET SCOTSDALE DRAGOON 2652-179 -310791- RE-FW-12D

LEADER'S ROYAL SULTAN - first prize two-year-old and Res. Grand Champion 1951 Ohio State Fair. His dam is the most outstanding female in the University herd. It has been our practice to retain the most promising sons of Edellyn Royal Leader 10th each year and then sell them as two-year-olds. We have some top calves sired by Leader's Royal Sultan.

### 1950 International Grand Champion Bull

N-Bar-Prince, 1950 champion bull at the International Live Stock Exposition. He was a senior bull calf sired by Lakeside Champion 4th by Cluny Bank Standard. He was

bred by W. J. Nixon, Bonners Ferry, Idaho, and bought by W. C. Anderson and Son, West Liberty, Iowa, from Henry Fisher, Jr., Belmont, Wash. N-Bar Prince was a burly-headed, very short-legged bull of excellent quality, with good bone and underpinning.

### LOT 3 MALE ELMCREST-LOMAR SHORTHORN FARM ELMCREST ROYAL LEOPOLD 2578102 LE-C132

W. L. MAX MAJOR 4TH - has a very good show record for the past two seasons including Grand Champion at Several of the strongest state fairs in 1950. Has been second in class to the bull that has been Champion, at the largest shows this year. His sire is one of the leading sons of Killearn Max 5th and his senior and junior gets have won at some of the best shows. The dam of W. L. Max Major 4th is a dark red daughter of Lawton Favorite and is proving to be one of our best producing cows.

MILLGATE ILLINI - is the best bull ever bred by Millgate Farms. His pedigree is perfect and he is the kind of an individual that fits such distinguished ancestry. He is a product of the blending of the blood of two of America's foremost sires and the outstanding individual merit of every animal in his pedigree is the best background possible for a bull that will breed true. His dam is a wonderful cow.

# International Shorthorn Congress Another Grand Championship

Another Grand Championship

Over all Breeds

Commando, Grand Champion Steer
OVER ALL BREEDS at the 1951 National
Western Stock Show, Denver. Entered by
Cornelius Wolf, Remsen, Iowa and shown
by his son, Emmett. Commando competed
with one of the largest steer entries ever
seen at the Denver Show to win its much

coveted highest award. He was calved in January 1949 and weighed 1350 pounds, making him one of the heaviest champions at Denver in recent years. He was fitted superbly and was a steer of tremendous depth.

K F REGAL MONTY - is a real herd sire prospect with an excellent head and good bone. Not highly fitted, but a very good representative of Cruggleton Perfect and Mercury cross.

# International Shorthorn Congress Superior in Cross-Breeding

Cross-breeding at the Bar B Ranch, Ogden, Utah has shown that calves sired by a Shorthorn bull will be 10 percent heavier at birth and 50 pounds heavier at 10 months of age than straight-bred calves of other breeds. Crossbred cows sired by a Shorthorn bull will produce 10 percent greater calf crops. The prepotency of Shorthorn bulls in engendering the thriving, fast-maturing characteristics of the breed makes them highly desirable in any large-scale commercial range production.

### LOT 16 MALE F. W. HARDING KILKEA PILOT 2652-225 (V97E) 328450 RE-WRK-H15

Roan, calved March 24, 1950. Bred by R.K. & E.E. Wright, Mageney, Kildare, Eire; Imp. Sept. 3, 1951, by and owned by F.W. Harding, Waukesha, Wisconsin.

VIKING 6TH - We believe he will be one of the best herd sire prospects to be sold. His sire is by the famed Killearn Monarch 101st that has made history in the Broughton herd in Washington. His dam is by one of the best bulls ever imported to this country. Cluny Bank Standard sired top bulls and females in the Inland Empire Sales and the last International Grand Champion bull is by one of his sons. Viking 6th has a very good show record, standing well up in class wherever shown and with W. L. Max Major 4th was second in the two bull group at the recent National Show - as strong a show as has ever been witnessed in this country. He is well fleshed, has a head with a lot of character and is one of the first bulls of this breeding ever to be offered in the middle west.

### Shorthorn Cattle Predominate

Shorthorn cattle are the predominant beef cattle in nearly all of the beef-producing areas of the world. Greatest relative numbers of the breed are in Argentina where 90 percent of all beef cattle are Shorthorns. There is no land or climate whose extremes of heat or cold have proved too great a trial to the hardy and adaptable Shorthorns.

### LOT 27 MALE STROWAN FARMS STROWAN SUNDIAL 2618-372 LE-S-19

GLENBURN QUARTERBACK - second in a large class at the Canadian National Exhibition which had its strongest show in 25 years. This family has consistently produced our top-selling bulls - his dam being a full sister of Glenburn John Bull, sold in the 1943 Congress at the age of 8 months for \$1225. Glenourn Onslaught, maternal brother of Quarterback was exported to New Zealand in 1949. The four bulls sold so far from his dam and Glenburn Estelle, her full sister, have realized \$5970.

ASCREAVIE PRIAM - is the first calf by Lawton Priam, the grandest bull we have ever used. This calf is low-set, has a grand head and is heavy-boned. His dam is one of our very top cows.

### The Ideal Type Shorthorn Bull

For over two centuries, Shorthorns have competed with all comers as the ideal beef type. The ideal Shorthorn bull is thick, blocky, close to the ground, with greater scale at any given age than any other beef breed, straight in his top, bottom and sidelines,

close-coupled, carrying even width from end to end. He has a head showing marked breed and sex character with neck short and thick, neatly joined and shoulders smoothly blended into the body. His chest is wide and full, heart girth broad and deep, crops full, ribs widely sprung, loin thick and wide, hips neatly laid in with smooth rump and tail head, and twist deep. His horns are short, light-colored and glossy. He has a good coat of glossy hair and the best disposition of all beef breeds.

BUY IN THIS SALE for these same good blocky qualities that help bring and maintain uniformity in your herd, and with qualities to go on procreating more of these good modern type Shorthorns.

REGALITE GOLDEN COUNT - is sired by a first prize bull at a Canadian National Exposition and his dam's sire was an Ohio Junior Champion.

# Extra Weight Makes Bigger Returns....

in the cattle business. Demand for Shorthorn bulls for cross-breeding is the greatest in modern history BECAUSE THEY SIRE BIGGER CALVES - both purebred and cross-bred. Modern records, showyard competition and practical experience by all seasoned cattlemen prove conclusively that bigger calves gain and weigh more at any age. They make MORE EFFICIENT, MORE ECONOMICAL, MORE PROFITABLE use of ALL FEEDS.

EDWIN ROYAL - is short-legged, deep bodied and thick with great covering of flesh.

## New Herds Grow Into This

Each year an impressive number of new herds are started with a first purchase of a bull and two females, a brood cow and calf, a bred female, or maybe just a young heifer. An intelligent beginner started this herd and by careful selection has brought it to this high state of bloom and economic efficiency. New breeders of registered Shorthorns have increased 100% in five years over the previous all-time figure. These females are strong topped, in the pink of condition, square, breedy-looking, smooth of flesh and full of quality, with a commanding presence. Wide, low-set females of ample scale and substance are the kind that produce calves which can take a herd on up into national recognition. Shorthorn cows make ideal mothers with ample milk to give a calf the earliest possible start to maturity. Since you sell beef by the pound, CHOOSE SHORTHORNS, BEST IN EVERY WEIGH!

MCGREGOR BUGLER - Clara Millie is the best cow in our herd. She has always had a good calf and this one is no exception.

## The Ideal Type Shorthorn Female

A cow provides half the inheritance of every calf, so it is important that she be the best of type and bloodlines. The short-legged, heavy-fleshed, low-flanked, early maturing beef type Shorthorn female of today with her greater capacity for milk than cows of any other beef breed, is a real triumph in scientific breeding. This ideal

modern type Shorthorn female is smooth of flesh, near to the ground with plenty of style and impressive character, with the best of heads and impeccably attired in a fine quality coat. She represents the right combination of individuality with the best of bloodlines. And with all this she shows the capacity for plenty of milk so important in the development of rugged early maturing calves.

BUY IN THE PURPLE for cows like this for herd uniformity and for the best possible inheritance for your Shorthorn

calves.

## LOT 56 FEMALE GRANT CAMPBELL CAMSON ROSEBUD 2652-260 -389887-

# International Shorthorn Congress Let's Fill the Demand

Any cattleman will tell you that demand for Shorthorn feeder calves and yearlings far exceeds the supply. 4-H and F.F.A. club projects grab them up, and a load of choice Shorthorns on the big feeder markets of the country may receive from 15 to 20 bids. A choice load of yearling heifers from the Cross Brothers of Douglas, Wyo. set a world's record for their kind at the Omaha yards in September when they sold for \$40.00 per cwt. To fill this demand, large herds of cows are needed. With the prospects good for a continued prosperous beef cattle business, now is the time for breeders to increase their herds to capacity.

## LOT 63 FEMALE JOEL W. HOPKINS H S F FANCY ROSE 2D 2564162 LE-163

# 1950 International Grand Champion Female

Tolquhon Dazzling Princess, Grand Champion Shorthorn female of the 1950 International Live Stock Exposition and the 1950 Royal Winter Fair at Toronto. Exhibited by P. F. Law, Weston, Ont., she was a daughter of Calrossie Dazzler out of Banker's Princess Royal. She was a breedy-headed, low-set, dark roan individual, and level in her lines. She was also picked Supreme Champion at the International when she received the Brittish Challenge Trophy for the best individual exhibited.

## Grand Champion Feeders at Denver

These 400 pound Shorthorn calves produced by Josef Winkler, Castle Rock, Colo., some dropped as late as August 1950, were GRAND CHAMPIONS over 67 select loads at the 1951 National Western Stock Show, Denver. Note their broad backs, good feeder heads and general beef conformation. Level and square behind, deep-bodied, uniformly low in twist, these calves brought the judges again and again to their pen. They were bought by Pat Hennessey, Dodgeville, Wis. for the new Denver top of \$84.25 a hundred pounds. The former Denver record-high price for a load of feeders was \$77. a cwt., paid in 1949 for the Winkler Shorthorn Grand Champion load over all.

SCOTSDALE ESSIE RAMSDEN 2D - is a maternal sister to a heifer that won her class at the 1950 Royal Winter Fair. THIS HEIFER WILL BE BRED TO CALROSSIE GOLDEN ROAD =325796=

# Role of The Purebred Breeder

The ultimate end of all beef cattle is directly or indirectly the market. Purebred breeders, commercial producers and cattle feeders are all interested in improvement in the breeding of cattle, since higher returns at the market naturally accrue to those who have done the best job of selecting better-bred cattle. The breeder of registered cattle plays the major role in improvement of beef type. He must conduct a conscientious and studied breeding program that will produce the type, conformation, thick and smooth fleshing and early maturity desired by the commercial cattleman.

Junior Champion at the 1951 C.N.E. Bangs vaccinated.

## World's Record in Omaha

The Cross Brothers, of Douglas, Wyo. have learned that good bulls produce superior feeder calves that either top the feeder market or walk off with the champion show honors. In September of this year they scored a world's record price at the Omaha yards with a load of yearling heifers that sold at \$40.00 per cwt. Here is shown the finished product of Cross Brothers production -- a load of fat steers fed by Phyllis Fiebig, Fort Morgan, Colo. that

were Reserve Grand Champions at the 1951 National Western Stock Show in Denver. They dressed out at 67.26 percent, higher than the grand champions. Cross Brothers bought the National Sale Gr. Ch. bull, Edellyn Royal Leader 136th, in Omaha this year.

## International Shorthorn Congress Shorthorns for Greatest Returns

Concentrated agricultural production with modern legumes and forage crops enables a large herd of Shorthorns to thrive on a relatively small acreage with greater cash returns per acre on less labor. Greatest profits result from the most efficient conversion of grass and roughage into prime beef and an abundance of milk. Breed Shorthorns for greatest returns.

B & B BESSIE 2D - a very typical calf of Ringwell Prince Charles, whose calves all show excellent type and quality. BANGS VACCINATED.

Shorthorns ...

There's nothing like good Shorthorn cattle to get the most out of good grass pastures. The Shorthorn'cow's ability to transform farm roughage into both beef and milk is unapproached by any breed. She produces bigger, healthier and heavier calves because of her abundance of milk, which gives the calves a head start in becoming prize winners or market toppers.

## Try Our Service Without Charge

Cordially the American Shorthorn Breeders' Association invites you to become interested in producing Shorthorns on a profitably sound and constructive basis. We invite new breeders or prospective buyers to take advantage of our facilities for service. We are more than a registry association, we are here to cooperate with you in any way in solving your cattle problems or in locating and assembling the kind of Shorthorns you want---either one or a carload. This is done entirely free of charge. The advice of our experts is always available in gathering together a uniform herd for whatever branch of the cattle business you wish to enter----or in helping organize a local or state sale -- or a local or state Shorthorn organization,

If you are unable to attend the 1951 Congress send your buying orders for any animal in this catalog addressed personally to Clinton K. Tomson, Sec'y., American Shorthorn Breeders' Association, Union Stock Yards, Chicago 9, Ill. Give details as to what prices you expect to pay, second or third choices if you have them and include shipping instructions.

#### **LOT 96 FEMALE** MR. & MRS. C. A. BUTLAND SPRING RAMSDEN LADY 2639-038 RE-B 113
